3.4 Joint Accounts (Personal Accounts Only)

Suitability

You acknowledge that the investment objectives for any joint Account may be based primarily if not exclusively on the financial circumstances, experience and knowledge of only one of the co-applicants.

Liability

In respect of joint accounts, each of you is jointly and severally liable with your co-applicant for Obligations and you will indemnify Odlum Brown against any loss, claim, damage, expense or liability which Odlum Brown may incur and which arises under or in connection with Obligations.

Instructions from Joint Clients

If you are a co-applicant, we may take instructions in respect of any aspect of the Account, without limit, from any Account co-applicant. However, we reserve the right to restrict activity at any time in the Account or to require joint written instructions by all co-applicants, and we will not be liable for any loss that may result from that requirement.

Delivery of Property and Information to Joint Clients

Odlum Brown may deliver Securities, money or other property relating to the Account, give margin calls and provide confirmations, statements, or other information about the Account to any one co-applicant, without notice to the other co-applicant(s), and such delivery or communication by us is sufficient delivery or communication to all of you.

For an Account opened in the Province of Quebec, the Civil Code of Quebec and other laws will apply upon the death of one of you.

3.5 “In-Trust” Accounts

Obligations of “In-Trust For” Accounts

If any Account has been designated “an account in-trust for a minor,” until the nominee reaches the age of majority in the jurisdiction in which the nominee is resident; (a) all instructions for such Account will come from you, as trustee, exclusively; (b) you and the nominee will be jointly and severally liable to us for all Obligations respecting the Account; and (c) we may deal with you as if you were the beneficial owner.

Trust Agreements

Odlum Brown has no responsibility to observe the terms of any trust, whether written, verbal, implied or constructive that may exist between you, as trustee, and the nominee.

Age of Majority of Nominee

You acknowledge that upon the nominee reaching the age of majority in the jurisdiction in which the nominee is resident, the Account will cease to be “in-trust,” the nominee will be absolutely entitled to the assets of the Account and, subject to receiving such documentation as we may require in connection with this change in status of the Account, we will thereafter accept instructions in respect of the Account solely from the nominee.

3.6 Instructions

Account Instructions

Your Account instructions must be either oral (but not left on voicemail) or in writing (but not electronically). We are not responsible for the price at which a market order is executed. You are responsible for all instructions given by you or by any person you have authorized to trade on your behalf and you will indemnify us for any loss, liability or expense that may arise as a result of our compliance with your instructions.

Trading Rules

Trading instructions given by you or persons you have authorized to trade on your behalf must comply with, and each Transaction carried out on your behalf will be subject to, this Agreement and the Applicable Laws, Rules and Regulations.

Refusing Orders Trading Instructions

We may refuse to effect a Transaction or execute any instruction given in respect of the Account if we, in our subjective discretion, determine that doing so might be in whole or in part inconsistent with or contrary to the Applicable Laws, Rules and Regulations. We will not be liable to you for any loss or other consequences resulting from our refusal under this provision unless you prove that such refusal constituted an act of bad faith.

Death of Account Holder

In the event of your death, in respect of any of your Accounts that is not a joint account, Odlum Brown will require, before accepting instructions in respect of such Account(s), such documentation as it considers necessary to enable it to lawfully accept instructions from the person purporting to represent you or your estate after your death. Such documentation includes, but is not limited to, a certified copy of the death certificate, a letter of direction and notarized copy of any of the Grant of Probate, Letters of Administration or Certificate of Appointment of Estate Trustee, or their functional equivalents. Odlum Brown will not be liable for any loss that may result from its refusal to accept instructions in accordance with this provision.

Delivery

You must have funds in your Account by settlement date or by such earlier time as we may specify from time to time. Actual delivery of Securities in deliverable form is required immediately for any Securities sold at your direction. You confirm and represent to Odlum Brown that all sales made in the Account will be “long” sales unless you have specified otherwise at the time of giving the trading instruction.

If you do not pay for or deliver Securities to us as required under this Agreement, we may, without prior notice to you, do whatever we consider prudent in order to avoid or minimize any potential loss or inconvenience to Odlum Brown. You will indemnify us from any loss or expense incurred by us in connection with your failure to pay for or deliver Securities to us as required under this Agreement, including the actual amount of any reasonably incurred legal fees.

Risks of Leveraged Trading

You acknowledge that borrowing to purchase Securities involves greater risk than a purchase using cash resources only. If you borrow from us to purchase Securities, your responsibility to repay the loan and pay interest as required by its terms remains the same even if the value of the Securities purchased declines. By signing the Account Application you confirm that you are aware of the risks involved in leveraged trading.

3.8 Trade Confirmations and Statements

Trade Confirmations

A trade confirmation will be sent to you after each Transaction as required by the Applicable Laws, Rules and Regulations. If you do not object in writing to the accuracy of a trade confirmation within 15 days after it is sent to you, you will be deemed to have irrevocably accepted the confirmation as accurate. Non-receipt or late receipt of a trade confirmation will not relieve you of your obligation to settle all Transactions on the settlement date or to maintain margin, if applicable.

Statements

An Account statement will be sent to you as required by the Applicable Laws, Rules and Regulations. If you do not object in writing to the accuracy of an Account statement within 15 days after it is sent to you, you will be deemed to have irrevocably accepted the statement as accurate.

3.9 Holding of Cash and Securities

All Securities will be registered in Odlum Brown’s name or the name of Odlum Brown’s nominee whenever practically possible.

Segregation of Cash Balances

Except with respect to a Registered Plan, Odlum Brown does not have to segregate or hold all cash balances separately. Therefore, cash may be mixed with Odlum Brown general funds and used for the general purposes of Odlum Brown business, and the cash will be a debt owing to you by Odlum Brown.

The foregoing stated amount of the hypothec and pledge and foregoing rate of interest is inserted to comply with requirements of the Civil Code of Quebec and represents the maximum amount for which the Collateral is hypothecated and pledged. PART 6 and PART 7: RETIREMENT ACCOUNT AGREEMENTS (ONLY APPLICABLE TO SELF-DIRECTED RRSP AND RRIF ACCOUNTS)

PART 6: SELF-DIRECTED RETIREMENT SAVINGS PLAN DECLARATION OF TRUST

Canadian Western Trust Company (the "**Trustee**"), a trust company incorporated under the laws of Canada, hereby declares that it agrees to act as Trustee for you (the "**Annuitant**") in accordance with paragraph 146(1) of the *Income Tax Act* (Canada) (the "**Act**") in respect of the Odlum Brown Limited ("**Odlum Brown**") Self-Directed Retirement Savings Plan (the "**Plan**") referenced in your Account Application, upon the following terms.

6.1 Registration

The Trustee will apply for the registration of the Plan in accordance with the applicable sections of the Act as they pertain to retirement savings plans and, if applicable, the provisions of any similar legislation of the Province of residence of the Annuitant as set out in the Account Application. (Such legislation hereinafter being collectively referred to as "**Applicable Tax Legislation**").

6.2 Contributions

The Trustee shall accept such payments of cash and other transfers of property acceptable to it as may be made by the Annuitant, or the Annuitant's spouse, the same together with any income therefrom constituting a trust fund (the "**Fund**") to be used, invested and held subject to the terms hereof.

6.3 Investment

The Fund shall be invested and reinvested by the Trustee, as directed by the Annuitant, provided that such investments are not inconsistent with the Applicable Tax Legislation for Trusts governed by the Registered Retirement Savings Plans. The Trustee may, but need not, require any direction to be in writing. In the absence of a direction from the Annuitant as to the investment of any cash balances forming part of the fund from time to time, the Trustee will allow interest on such balances at such rate and credited at such time as the Trustee in its sole direction may determine. The Annuitant acknowledges that such cash balances may be invested and reinvested by the Trustee in the Trustee's guaranteed accounts.

6.4 Annuitant's Account and Statements

The Trustee will maintain an account in the name of the Annuitant showing all contributions made to the Plan and all investment transactions made at the direction of the Annuitant. The Trustee shall forward to the Annuitant in respect of each year a statement(s) showing all contributions and investment transactions made and all income and expenses earned or incurred during such period.

6.5 Date of Birth

The statement of the Annuitant's age contained in the Annuitant's Account Application shall be deemed to be a certification by the Annuitant and an undertaking by the Annuitant to provide any further evidence of proof of age that may be required when a retirement income is provided.

6.6 Retirement Income

The whole of the Fund shall be invested, used and applied by the Trustee for the purposes of providing a retirement income. The Annuitant will, upon 90 days' written notice to the Trustee, specify the date for the commencement of retirement income, which date shall not be later than the end of the calendar year in which the Annuitant attains age 71, or such other age as prescribed by the Act (such date being referred to herein as "**maturity**"). Such notice shall indicate the name of the company from which such retirement income shall be purchased and shall instruct the Trustee to liquidate the assets in the Plan and apply the proceeds for the provision of a retirement income for the Annuitant in accordance with the terms hereinafter set out, or to amend the Plan in order to permit the transfer of the value of such account to the carrier of the registered retirement income fund of the Annuitant. Any retirement income purchased by the Trustee shall, at the option of the Annuitant, be:

- (i) an annuity payable to the Annuitant for the Annuitant's life or if the Annuitant so designates to the Annuitant for the lives jointly of the Annuitant and the Annuitant's spouse and to the survivor of them for his or her life commencing at maturity and with or without a guaranteed term not exceeding such period of time as specified in subsection 146(1) of the Act.

Any annuity so acquired:

- (a) may be integrated with the Old Age Security Pension;
- (b) may be increased in whole or in part in accordance with the Consumer Price Index or at such other rate not exceeding 4% per annum as may be specified under the terms of such annuity;
- (c) shall, unless established as a variable annuity in accordance with subsection 146(3) of the Act, pay equal annual or more frequent periodic payments;
- (d) shall provide for full or partial commutation and shall provide for equal annual or more frequent periodic payments following any partial commutation;
- (e) shall not provide for the aggregate of the periodic payments in a year after the death of the Annuitant

to exceed the aggregate of the payments in a year before the Annuitant's death;

- (f) shall by its terms not be capable either in whole or in part of assignment if payable to the Annuitant or his/her spouse;

- (g) shall provide for commutation if such annuity would otherwise become payable to a person other than the spouse of the Annuitant on or after the death of the Annuitant;

or,

- (ii) a registered retirement income fund subject to the rules specified in the Applicable Tax Legislation.

If the Annuitant fails to notify the Trustee at least 60 days prior to the end of the calendar year in which the Plan reaches maturity, the Trustee will liquidate the assets in the Plan and, subject to the requirements of the Applicable Tax Legislation, may hold such proceeds in a non-registered interest-bearing deposit account with the Trustee on behalf of the Annuitant. The Annuitant shall be responsible for all reasonable expenses of administration charged by the Trustee.

6.7 Withdrawals

The Annuitant may, by written application, at any time before the commencement of a retirement income, request that the Trustee pay to the Annuitant all or any part of the assets held under the Plan, and the Trustee may liquidate any investments held under the Plan, to the extent deemed necessary for that purpose.

6.8 Refund of Contributions

The Trustee shall, upon written application by the Annuitant or the Annuitant's spouse in form satisfactory to the Trustee, refund to that applicant the amount established to be an amount as defined in paragraph 146(2)(c.1) of the Act and in any similar provisions of any provincial income tax legislation, in respect of such applicant.

6.9 Splitting of Assets Upon Marriage Breakdown

The Trustee will, upon receiving written direction by the Annuitant, allow and arrange for the splitting of assets upon marriage breakdown and will pay or transfer, on behalf of the Annuitant, any property held thereunder to a registered retirement savings plan or a registered retirement income fund under which such spouse or former spouse is the

annuitant if, at the time of such transfer, the Annuitant and the spouse or former spouse are living separate and apart and the payment or transfer is being effected pursuant to a decree, order or judgment of a competent tribunal, or in accordance with a written separation agreement, relating to a division of property between the Annuitant and such spouse or former spouse in settlement of rights arising out of or on the breakdown of their marriage, in accordance with paragraph 146(16)(b) of the Act.

6.10 Payment Upon Death

In the event of the death of the Annuitant and upon verification of a benefit entitlement under Applicable Tax Legislation, the Trustee will take instructions from the Annuitant's beneficiary or, if the Annuitant has no beneficiary, the executor or personal representative of the Annuitant's estate, as to whether the Fund will be:

- (i) distributed in kind to the Annuitant's beneficiary or estate, as applicable;
- or,
- (ii) sold and the proceeds from the Fund distributed to the Annuitant's beneficiary or estate, as applicable.

The Trustee will require, in its sole discretion, satisfactory evidence of the death of the Annuitant and any other documents pertaining to the Annuitant's death prior to proceeding with a request to distribute the Fund or the proceeds of the Fund less any tax under Applicable Tax Legislation and any other related fees or costs. If the Annuitant has designated more than one beneficiary of the Fund, the Trustee will distribute the Fund or the proceeds from the Fund to each beneficiary in the amounts designated by the Annuitant. If the Trustee cannot establish a valid designation of beneficiary or beneficiaries, the Trustee will distribute the Fund to the Annuitant's estate. Once the Fund is transferred or the proceeds of the Fund paid, the Trustee will no longer have any further liability or duty to the Annuitant's heirs, executors, administrators or legal representatives.

6.11 Designation of Beneficiary

The Annuitant, if domiciled in a jurisdiction designated by the Trustee as one in which a participant in a retirement savings plan may validly designate a beneficiary other than by will, may in writing in a form prescribed by the Trustee and delivered to the Trustee prior to the death of the Annuitant designate a person to be entitled to receive the proceeds payable pursuant to subparagraph 6.12(a) on the death of the Annuitant. Subject to applicable laws, such

person shall be deemed to be the designated beneficiary of the Annuitant for the purposes hereof unless such person shall predecease the Annuitant or unless the Annuitant shall, in writing in a form prescribed by the Trustee and delivered to the Trustee prior to the death of the Annuitant, revoke such designation. If no beneficiary has been designated or if all such beneficiaries predecease the Annuitant, the proceeds will be paid to the legal personal representatives of the Annuitant.

6.12 Income Tax Receipts

Not later than March 30th in each year, the Trustee will furnish, or cause to be furnished, to the Annuitant or the Annuitant's spouse a receipt showing contributions made by the Annuitant or the Annuitant's spouse to the Plan during the preceding year, and if applicable, the first sixty (60) days of the current year.

6.13 Locked-In Retirement Account / Savings Plan

If, due to Plan Assets having been transferred into the Plan from a registered pension plan or other locked-in registered savings plan, the Annuitant has duly completed, signed and delivered an instrument in the form of a locking-in addendum for a locked-in retirement account or locked-in retirement savings plan, approved by the Trustee, such locking-in addendum shall be deemed to be part of this Declaration of Trust. In the event of a conflict, the provisions of such locking-in addendum and the provisions of applicable pension laws referred to therein will take precedence over any conflicting provisions hereof, or of any beneficiary designation made with respect to the Plan, provided that no provision of this Declaration of Trust will be interpreted to be in conflict with the requirements of the Applicable Tax Legislation. The Annuitant agrees to be bound by the terms and conditions set out in the locking-in addendum forming part of this Declaration of Trust.

6.14 Management and Ownership

The Trustee may hold any investment in its own name, in the name of its nominee, in bearer form or in such other name as the trustee may determine. The Trustee may generally exercise the power of an owner with respect to all stocks, bonds, or other securities held by it for the Plan, including the right to vote or give proxies to vote in respect thereof and to pay an assessment, taxes or charges in connection therewith or the income or gains derived therefrom.

6.15 Delegation

The Annuitant authorizes the Trustee to, and the Trustee may, delegate to Odium Brown Limited ("Odium Brown") the performance of the following duties and responsibilities of the Trustee under the Plan:

- (i) receiving the Annuitant's contributions under the Plan;
- (ii) investing and reinvesting the Fund in accordance with the directions of the Annuitant;
- (iii) holding the assets forming the Fund in safekeeping;
- (iv) maintaining the Annuitant's account;
- (v) providing statements to the Annuitant of the Annuitant's account;

and such other duties and responsibilities of the Trustee under the Plan as the Trustee may determine from time to time. The Annuitant also authorizes the Trustee to, and the Trustee may, pay Odium Brown all or a portion of the fees paid by the Annuitant to the Trustee hereunder and may reimburse Odium Brown for its out-of-pocket expenses in performing the duties and responsibilities delegated to Odium Brown by the Trustee and charge the Annuitant's account therefor. The Annuitant acknowledges that Odium Brown will earn normal brokerage commissions or fees on investment and reinvestment transactions processed by Odium Brown.

6.16 Trustee Fees and Expenses

The Trustee will be entitled to such reasonable fees and other charges as it may establish from time to time for the Plan and to reimbursement for disbursements and expenses reasonably incurred by it in performing its duties hereunder. All such fees and other amounts (together with any goods and services tax or other taxes applicable thereto, other than penalties and taxes for which the Trustee is liable under the Applicable Tax Legislation) shall be payable upon establishment of the Plan and as at April 1 of each year thereafter and shall be either charged to the Annuitant's account or, if the Annuitant has so instructed the Trustee in writing, billed to the Annuitant directly. The Annuitant will be provided with a minimum of sixty (60) days notice of any change to such fees and other charges.

If the Trustee and/or Odium Brown makes a payment or transfer of all the assets of the Plan or a transfer to a registered retirement savings plan or a registered retirement income fund, for which the Trustee is not the trustee, the Trustee shall be entitled to deduct a special service fee from any such transfer or additional payment amount.

Notwithstanding anything herein contained, the Trustee is empowered to realize, at its sole discretion, sufficient assets forming part of the Fund for payment of the fees and expenses referred to above and for payment of any taxes which may be payable in respect of the trust established hereunder. Any such realization shall be made at such price or prices as the Trustee may in its sole discretion determine and the Trustee shall not be responsible for any loss occasioned by any such realization.

6.17 Amendment

The Trustee may, from time to time at its discretion amend this Declaration of Trust with the concurrence of the authorities administering the Applicable Tax Legislation by giving 30 days notice in writing to the Annuitant; provided, however that any such amendments shall not have the effect of disqualifying the Plan as a registered retirement savings plan within the meaning of the Applicable Tax Legislation.

6.18 Notice

Any notice given by the Trustee to the Annuitant shall be sufficiently given if mailed, postage prepaid, to the Annuitant at the address set out in the Account Application or at any subsequent address of which the Annuitant shall have notified the Trustee and any such notice shall be deemed to have been given on the second business day following the day of mailing.

6.19 Limitation of Liability

- (i) The Trustee will exercise the care, diligence and skill of a reasonably prudent person to minimize the possibility of a non-qualified investment being acquired or held by the Plan.
- (ii) Notwithstanding any other provisions hereof, the Trustee (including, for greater certainty, Odium Brown) will not be liable in its personal capacity for or in respect of:
 - a. any taxes or interest which may be imposed on the Plan under Applicable Tax Legislation

(whether by way of assessment, reassessment or otherwise) or for any charge levied or imposed by any governmental authority upon or in respect of the Plan, as a result of the purchase, sale or retention of any investment including, without limiting the generality of the foregoing, non-qualified investments, other than taxes and penalties imposed on the Trustee arising from its personal liability, including without limitation, arising from its administrative error, under Applicable Tax Legislation: or

- b. any loss suffered or incurred by the Annuitant, the Plan, or any beneficiary under the Plan caused by or resulting from the Trustee acting or declining to act upon instruction given to it, whether by the Annuitant, a person designated by the Annuitant or any person purporting to be the Annuitant, unless caused by the Trustee's dishonesty, bad faith, willful misconduct, gross negligence or reckless disregard.

- (iii) The Annuitant, his or her legal personal representative, and each beneficiary under the Plan will at all times, indemnify and save harmless the Trustee in respect of any taxes, interest, penalties or other governmental charges which may be levied or imposed on the Trustee in respect of the Plan or any losses incurred by the Plan (other than losses for which the Trustee is liable in accordance herewith) as a result of the acquisition, retention or transfer of any investment or as a result of payments out of the Plan made in accordance with these terms and conditions or as a result of the Trustee acting or declining to act on any instruction given to it by the Annuitant. The Annuitant, where required or requested, will provide the Agent with such information as it may require in order to value assets being acquired or held by the Plan.

6.20 Replacement of Trustee

The Trustee, upon giving the Agent at least 90 days written notice or immediately if the Agent is for some reason incapable of acting in accordance with this Declaration of Trust, may resign, and the Agent, upon giving the Trustee at least 90 days written notice or immediately if the Trustee is for any reason incapable of acting as trustee hereunder, may remove the Trustee as the Trustee of the Plan, provided that a successor trustee has been appointed by the Agent in writing. If the Agent fails to designate a

successor trustee within 60 days after it has received notice of the Trustee's intended resignation, the Trustee may appoint its successor trustee. Such successor trustee will, within 90 days of its appointment, give written notice of its appointment to the Annuitant. A successor trustee will have the same power, rights and obligations as the Trustee. The Trustee will execute and deliver to the successor trustee all conveyances, transfers, and further assurances that may be necessary or desirable to give effect to the appointment of the successor trustee. Any successor trustee will be a corporation resident in Canada and authorized under the laws of the province of residence of the Annuitant indicated in the Account Application to carry out its duties and responsibilities as trustee under the Plan. Subject to the requirements of the Canada Revenue Agency, any corporation resulting in the merger, consolidation or amalgamation to which the Trustee is a party or which purchases all or substantially all of the trust business of the Trustee will be the successor trustee hereunder without the execution of any other instrument or document except notice to the Agent and to the Annuitant.

6.21 Responsibility

The Trustee is ultimately responsible for the administration of the Plan pursuant to the provisions of this Declaration of Trust.

6.22 Assignment by Agent

The Agent may assign its rights and obligations hereunder to any corporation resident in Canada, approved by the Canada Revenue Agency and any other applicable authority, and authorized to assume and discharge the obligations of the Agent under the Plan, provided that such corporation shall execute any agreement which is necessary or advisable for the purpose of assuming such rights and obligations and further provided that no such assignment may be made without prior written consent of the Trustee, which consent may not be unreasonably withheld.

6.23 Heirs, Executors and Assigns

The terms of this Declaration of Trust will be binding upon the heirs, executors, administrators, and assigns of the Annuitant and upon the successors and assigns of the Trustee.

6.24 Governing Law

This Declaration of Trust will be governed and construed in accordance with the laws of British Columbia (and with respect to any locking-in addendum to the Plan containing

provisions required by the laws of a province, in accordance with the laws of such province), the Applicable Tax Legislation and any other laws of Canada, which may be applicable.

PART 7: SELF-DIRECTED RETIREMENT INCOME FUND DECLARATION OF TRUST

Canadian Western Trust Company (the “**Trustee**”) hereby declares that it agrees to act as Trustee for you (the “**Annuitant**”) in accordance with paragraph 146.3(1) of the Income Tax Act (Canada) (the “**Act**”) in respect of the Odium Brown Limited (“**Odium Brown**”) Self-Directed Retirement Income Fund (the “**Fund**”) referenced in your Account Application, upon the following terms and conditions:

7.1 Registration

The Trustee will register the Fund under the provisions of the Act, and any applicable provincial income tax legislation relating to retirement income funds as designated from time to time in writing by the Annuitant (the Act and such provincial income tax legislation being hereinafter collectively referred to as “**Applicable Tax Legislation**”).

7.2 Transfers to the Fund

The Trustee shall accept only such transfer of cash or other property acceptable to it as may be directed by the Annuitant to be transferred from:

- (a) either a registered retirement income fund under which the Annuitant is the annuitant, or a registered retirement savings plan under which the Annuitant is the annuitant, or
- (b) a registered retirement savings plan as a refund of premiums in accordance with paragraph 60(1) of the Act;
 - (i) following the death of the Annuitant’s spouse, or
 - (ii) where the taxpayer was dependent by reason of physical or mental infirmity, upon the annuitant whose death caused such refund of premiums, or
- (c) either a registered retirement savings plan or registered retirement income fund pursuant to a decree, order or judgment of a competent tribunal or a written separation agreement, relating to a

division of property between the Annuitant and the Annuitant’s spouse or former spouse in settlement of rights arising out of their marriage on or after the breakdown of their marriage, or

- (d) a registered pension plan of which the Annuitant is a member (within the meaning assigned by subsection 147.1(1)), or a registered pension plan in accordance with subsection 147.3(5) or (7), as permissible under subparagraphs 146.3(2)(f)(v) and (vi) of the Act.
- (e) a specified plan in circumstances to which subsection 146(21) of the Act applies.

Such transfers, together with any income therefrom, shall constitute a trust fund (the “**Trust Fund**”) to be used, invested and held subject to the terms of this Declaration.

7.3 Investment

The Trust Fund shall be invested and reinvested by the Trustee, on the direction of the Annuitant, provided that such investments are qualified for trusts governed by retirement income funds. The Trustee may, but need not, require any such direction to be in writing. In the absence of a direction from the Annuitant as to the investment of any cash balances or any other property forming part of the Trust Fund from time to time, the Trustee may leave such cash or other property uninvested or may invest the same at its discretion. The Trustee shall not be responsible for any loss resulting from the sale or other disposition of any investment forming part of the Trust Fund.

7.4 Annuitant’s Accounts and Statements

The Trustee shall maintain an account in the name of the Annuitant showing all withdrawals from the Fund and all investment transactions made at the direction of the Annuitant. The Trustee shall forward to the Annuitant in respect of each year, statements showing all withdrawals and investment transactions made and all income and expenses earned or incurred during such period.

7.5 Proof of Age

The statement of the Annuitant’s date of birth on the Account Application for the Fund shall constitute a certification by the Annuitant and an undertaking to furnish such further evidence of proof of age as may be required for the provision of a retirement income.

7.6 Splitting of Assets Upon Marriage Breakdown

The Trustee will, upon receiving written direction by the Annuitant, allow and arrange for the splitting of assets on marriage breakdown and will pay or transfer, on behalf of the Annuitant, any property held thereunder to a registered retirement savings plan or a registered retirement income fund under which such spouse or former spouse is the annuitant if, at the time of such transfer, the Annuitant and the spouse or former spouse are living separate and apart and the payment or transfer is being effected pursuant to a decree, order or judgment of a competent tribunal, or in accordance with a written separation agreement, relating to a division of property between the Annuitant and such spouse or former spouse in settlement of rights arising out of or upon the breakdown of their marriage, in accordance with paragraph 146.3(14)(b) of the Act.

7.7 Payments

The whole of the Trust Fund shall be invested, used and applied by the Trustee only for the provision of payments to the Annuitant or, if applicable, to a surviving spouse.

In each year commencing not later than the first complete calendar year after the Fund is established, the Trustee shall make one or more payments the aggregate of which is not less than the minimum amount established in accordance with subsection 146.3(1) of the Act as amended from time to time, and not exceeding the value of the Trust Fund immediately before any payment.

The minimum amount for the year in which the Fund commences is nil.

No payment required to be made in accordance with the provisions hereof shall be capable of assignment in whole or in part. At the direction of the Annuitant, the Trustee shall in the prescribed form and manner transfer all or a part of the then current value of the Trust Fund together with all information necessary for the continuance of the Fund to another carrier of a registered retirement income fund of the Annuitant, provided that the minimum amount, as defined under subsection 146.3(1) of the Act is paid to the Annuitant and that the Trustee will retain an amount equal to the lesser of:

- (i) the fair market value of the property as would, if the fair market value thereof does not decline after the transfer, be sufficient to ensure that the minimum amount under the fund for the year in which the transfer is made may be paid to the Annuitant in the year, and

- (ii) the fair market value of all the property.

After effecting the transfer on such basis, the Trustee shall be discharged from all further duties and liabilities hereunder immediately following paying all amounts required hereunder.

7.8 Death of Annuitant

In the event of the death of the Annuitant prior to the Trustee paying all amounts required as described in subparagraph 7.7 and upon verification of a benefit entitlement under Applicable Tax Legislation, the Trustee will take instructions from the Annuitant's beneficiary or, if the Annuitant has no beneficiary, the executor or personal representative of the Annuitant's estate, as to whether the Fund will be:

- (i) distributed in kind to the Annuitant's beneficiary or estate, as applicable;
- or,
- (ii) sold and the proceeds from the Fund distributed to the Annuitant's beneficiary or estate, as applicable.

The Trustee will require, in its sole discretion, satisfactory evidence of the death of the Annuitant and any other documents pertaining to the death of the Annuitant prior to proceeding with a request to distribute the Fund or the proceeds of the Fund less any tax under Applicable Tax Legislation and any other related fees or costs. If the Annuitant's spouse has been designated specifically as the successor annuitant of the Annuitant as provided for in subparagraph 7.9 or by will, the Trustee shall continue the payments to the Annuitant's spouse in accordance with the provisions of subparagraph 7.7. If the Annuitant has designated more than one beneficiary of the Fund, the Trustee will distribute the Fund or the proceeds from the Fund to each beneficiary in the amounts designated by the Annuitant. If the Trustee cannot establish a valid designation of beneficiary or beneficiaries, the Trustee will distribute the Fund to the Annuitant's estate.

7.9 Designation of Successor Annuitant or Beneficiary

The Annuitant, if domiciled in a jurisdiction designated by the Trustee as one in which a participant in a retirement income fund may validly designate a beneficiary or a successor annuitant other than by will, may in writing in form prescribed by the Trustee, and delivered to the Trustee prior to the death of the Annuitant, designate his spouse as successor annuitant or any person as beneficiary to be entitled to receive the share of the Annuitant in the

Trust Fund on the death of the Annuitant. Such person shall be deemed to be the successor annuitant or designated beneficiary, as the case may be, of the Annuitant for the purposes of the Fund unless such person shall predecease the Annuitant or unless the Annuitant shall, by instrument in writing in form prescribed by the Trustee and delivered to the Trustee prior to the death of the Annuitant, revoke such designation.

7.10 Voting Rights

The voting rights attached to the shares and/or units of the fund(s) or to any other securities registered in the name of the Trustee and credited to the Annuitant's account shall be exercised by the Trustee by proxy given in favour of the management of the fund(s) or in favour of the management of any company, corporation, fund or other entity in question. However, the Annuitant may, by written notice received by the Trustee at least forty-eight hours prior to any meeting, request the Trustee to authorize the Annuitant to act as the Trustee's representative for the purpose of exercising the voting rights attached to the securities registered in the name of the Trustee and credited to the Annuitant's account, at any meeting of security holders, whereupon the Trustee shall give such authorization to the Annuitant.

7.11 Life Income Fund

If, due to the Trust Funds having been transferred into the Fund from a registered pension plan, a locked-in registered savings plan or other life income fund, the Annuitant has duly completed, signed and delivered an instrument in the form of a locking-in addendum for a life income fund, approved by the Trustee, such locking-in addendum shall be deemed to be part of this Declaration of Trust. In the event of a conflict, the provisions of such locking-in addendum and the provisions of applicable pension laws referred to therein will take precedence over any conflicting provisions hereof, or of any beneficiary designation made with respect to the Fund, provided that no provision of this Declaration of Trust will be interpreted to be in conflict with the requirements of the Applicable Tax Legislation. The Annuitant agrees to be bound by the terms and conditions set out in the locking-in addendum forming part of this Declaration of Trust.

7.12 Management and Ownership

The Trustee may hold any investment in its own name, in the name of its nominee, in bearer form or in such other name as the Trustee may determine. The Trustee may generally exercise the power of an owner with respect to all

stocks, bonds, or other securities held by it for the Fund, including the right to vote or give proxies to vote in respect thereof and to pay any assessment, taxes or charges in connection therewith or the income or gains derived therefrom.

7.13 Delegation

The Annuitant authorizes the Trustee to, and the Trustee may delegate to Odlum Brown Limited ("Odlum Brown") the performance of the following duties and responsibilities of the Trustee under the Fund:

- (i) to receive the transfer of funds to the Annuitant's Fund;
- (ii) to provide the Annuitant with payments under the Fund in accordance with the Applicable Tax Legislation;
- (iii) to invest and reinvest the Trust Fund in accordance with the directions of the Annuitant;
- (iv) to hold the assets forming the Trust Fund in safekeeping;
- (v) to maintain the Annuitant's Fund;
- (vi) to provide statements to the Annuitant of the Annuitant's Fund;

and such other duties and responsibilities of the Trustee under the Fund as the Trustee may determine from time to time. The Annuitant also authorizes the Trustee to, and the Trustee may, pay Odlum Brown all or a portion of the fees paid by the Annuitant to the Trustee hereunder and may reimburse Odlum Brown for its out-of-pocket expenses in performing the duties and responsibilities delegated to Odlum Brown by the Trustee and charge the Annuitant's account therefor. The Annuitant acknowledges that Odlum Brown will earn normal brokerage commissions or fees on investment and reinvestment transactions processed by Odlum Brown.

7.14 Trustee Fees and Expenses

The Trustee will be entitled to such reasonable fees and other charges as it may establish from time to time for the Fund and to reimbursement for disbursements and expenses reasonably incurred by it in performing its duties hereunder. All such fees and other amounts (together with any goods and services tax or other taxes applicable thereto, other than penalties and taxes for which the

Trustee is liable under the Applicable Tax Legislation) shall be payable upon establishment of the Plan. Thereafter, such fees shall be payable at a time and frequency to be determined by Odlum Brown and shall be either charged to the Annuitant's account or, if the Annuitant has so instructed the Trustee in writing, billed to the Annuitant directly. The Annuitant will be provided with a minimum of sixty (60) days notice of any change to such fees and other charges.

If the Trustee and/or Odlum Brown makes a payment or transfer of all the assets of the Fund, other than a payment pursuant to Article 7.7 hereof (excluding an additional payment) or a transfer to a registered retirement savings plan or a registered retirement income fund, for which the Trustee is not trustee, the Trustee shall be entitled to deduct a special service fee from any such transfer or additional payment amount.

Notwithstanding anything herein contained, the Trustee is empowered to realize, at its sole discretion, sufficient assets forming part of the Trust Fund for payment of the fees and expenses referred to above and for payment of any taxes which may be payable in respect of the trust established hereunder. Any such realization shall be made at such price or prices as the Trustee may, in its sole discretion, determine and the Trustee shall not be responsible for any loss occasioned by any such realization.

7.15 Amendment

The Trustee may, from time to time at its discretion, amend this Declaration of Trust with the concurrence of the authorities administering the Applicable Tax Legislation by giving 30 days notice in writing to the Annuitant; provided, however that any such amendments shall not have the effect of disqualifying the Fund as a registered retirement income fund within the meaning of the Applicable Tax Legislation.

7.16 Notice

Any notice given by the Trustee to the Annuitant shall be sufficiently given if mailed, postage prepaid, to the Annuitant at the address set out in the Account Application or at any such subsequent address of which the Annuitant shall have notified the Trustee and any such notice shall be deemed to have been given on the second business day following the day of mailing.

7.17 Limitation of Liability

(i) The Trustee will exercise the care, diligence and skill of a reasonably prudent person to minimize the possibility of a non-qualified investment being acquired or held by the Fund.

(ii) Notwithstanding any other provisions hereof, the Trustee (including, for greater certainty, Odlum Brown) will not be liable in its personal capacity for or in respect of:

- a. any taxes or interest which may be imposed on the Fund under Applicable Tax Legislation (whether by way of assessment, reassessment or otherwise) or for any charge levied or imposed by any governmental authority upon or in respect of the Fund, as a result of the purchase, sale or retention of any investment including, without limiting the generality of the foregoing, non-qualified investments, other than taxes and penalties imposed on the Trustee arising from its personal liability, including without limitation, arising from its administrative error, under Applicable Tax Legislation: or
- b. any loss suffered or incurred by the Annuitant, the Fund, or any beneficiary under the Fund caused by or resulting from the Trustee acting or declining to act upon instruction given to it, whether by the Annuitant, a person designated by the Annuitant or any person purporting to be the Annuitant, unless caused by the Trustee's dishonesty, bad faith, willful misconduct, gross negligence or reckless disregard.

(iii) The Annuitant, his or her legal personal representative, and each beneficiary under the Fund will at all times, indemnify and save harmless the Trustee in respect of any taxes, interest, penalties or other governmental charges which may be levied or imposed on the Trustee in respect of the Fund or any losses incurred by the Fund (other than losses for which the Trustee is liable in accordance herewith) as a result of the acquisition, retention or transfer of any investment or as a result of payments out of the Fund made in accordance with these terms and conditions or as a result of the Trustee acting or declining to act on any instruction given to it by the Annuitant. The Annuitant, where required or requested, will provide the Agent with such information as it may require in order to value assets being acquired or held by the Fund.

7.18 Replacement of Trustee

The Trustee, upon giving the Agent at least 90 days written notice or immediately if the Agent is for some reason incapable of acting in accordance with this Declaration of Trust, may resign, and the Agent, upon giving the Trustee at least 90 days written notice or immediately if the Trustee is for any reason incapable of acting as trustee hereunder, may remove the Trustee as the Trustee of the Plan, provided that a successor trustee has been appointed by the Agent in writing. If the Agent fails to designate a successor trustee within 60 days after it has received notice of the Trustee's intended resignation, the Trustee may appoint its successor trustee. Such successor trustee will, within 90 days of its appointment, give written notice of its appointment to the Annuitant. A successor trustee will have the same power, rights and obligations as the Trustee. The Trustee will execute and deliver to the successor trustee all conveyances, transfers, and further assurances that may be necessary or desirable to give effect to the appointment of the successor trustee. Any successor trustee will be a corporation resident in Canada and authorized under the laws of the province of residence of the Annuitant indicated in the Account Application to carry out its duties and responsibilities as trustee under the Plan. Subject to the requirements of the Canada Revenue Agency, any corporation resulting in the merger, consolidation or amalgamation to which the Trustee is a party or which purchases all or substantially all of the trust business of the Trustee will be the successor trustee hereunder without the execution of any other instrument or document except notice to the Agent and to the Annuitant.

7.19 Responsibility

The Trustee is ultimately responsible for the administration of the Fund pursuant to the provisions of this Declaration of Trust.

7.20 Assignment by Agent

The Agent may assign its rights and obligations hereunder to any corporation resident in Canada, approved by the Canada Revenue Agency and any other applicable authority, and authorized to assume and discharge the obligations of the Agent under the Fund, provided that such corporation shall execute any agreement which is necessary or advisable for the purpose of assuming such rights and obligations and further provided that no such assignment may be made without prior written consent of the Trustee, which consent may not be unreasonably withheld.

7.21 Heirs, Executors and Assigns

The terms of this Declaration of Trust will be binding upon the heirs, executors, administrators, and assigns of the Annuitant and upon the successors and assigns of the Trustee.

7.22 Governing Law

This Declaration of Trust will be governed and construed in accordance with the laws of British Columbia (and with respect to any locking-in addendum to the Plan containing provisions required by the laws of a province, in accordance with the laws of such province), the Applicable Tax Legislation and any other laws of Canada, which may be applicable.
